SANDY HOOK, July 23.-Resolute turned the second mark at 3.25.49. Shamrock turned at 3.27.16. The elapsed time on the second leg was: Resolute, 51.02; Shamrock, 50.18.

Shamrock's gain of forty-four seconds on the second leg seemed to show her inability to win the fourth race. In order to capture the cup the Shamrock at 3.30 would have had to sail nine miles almost a third faster than Resolute.

Shamrock gained steadily all the way down the second leg, but could not overtake Resolute. The wind had strengthened to 15 knots, the stiffest during any race of the series. Two miles, The direct negotiations begun with short of the second mark Resolute's lead was nearly a half mile.
